

We are so very pleased and proud to support Denville's youth in a strong and vibrant ice hockey program. We have many dedicated and hard-working boys and girls that greatly enjoy the many benefits that playing ice hockey brings. These include, but of course are not limited to, skill development, team camaraderie and a wonderful sense of individual pride and accomplishment. Furthermore, these advantages tend to stay with the players long after they graduate from our program. Determination and a serious work ethic, skills that are honed as an ice hockey player, serve the players well as they move on to college and young adulthood.

The Denville Ice Hockey season begins in early September with practices. Games commence in October and the season runs through March. Our players practice as Aspen Ice in Randolph and play their games at William G. Mennen Sports Arena in Morristown.

For the 2017-2018 season, we are excited to be accepting sponsorships from both private individuals and businesses. Any pledged sponsorship in the amount of \$150 or greater earns the sponsor a spot on Denville Ice Hockey website ([www.denvillepalhockey.org](http://www.denvillepalhockey.org)). The sponsor also receives a Denville Ice Hockey puck to display, proudly signed by one of our players. This is a fortuitous chance to be part of a vibrant athletic program.

Sponsorship checks should be made payable to "Denville PAL Ice Hockey" and mailed to us at P.O. Box 404, Denville, New Jersey 07834.

In advance, we graciously thank you for your time, consideration and continued support.

President: Jason Hall  
V-President: Ed McCloud  
Treasurer: Jamie McMahon

Thank you.
